(sp) denotes a small portion (v) denotes vegetarian dishes (vv) vegan / Gluten Free options are available on request

The John *Millington*

M E N U

The original part of The John Millington facing onto Station road, was built in 1683 by Alderman John Millington as a private residence.

Over the intervening years, the building has been used for agriculture, silk printing and even Methodist meetings.

Millington Hall was restored and extended by Hydes Brewery in 2004 to the beautiful Grade II listed building you see today.
